Statement re: today's detention hearing for Ethan Couch

"Ethan Couch is locked up. Rest assured that in the days and months ahead we will do everything we can under the law to hold him accountable for what he's done, realizing that we will always be limited by the juvenile judge's sentence of a 10 year probation in 2014.

"We ask when you think about this case going forward, don't remember Ethan Couch and the chances he's squandered. Don't feed his ego with notoriety. Remember Hollie and Shelby Boyles, Brian Jennings and Breanna Mitchell, and the lives they'll never have. Remember Sergio Molina, Lucas McConnell, Isaiah McLaughlin and Soloman Mohmand, who continue to deal every day with their injuries from the crash. Remember all of their families.

"Behind every incident are the victims, and this should be their story."
