TARRANT COUNTY, TEXAS
NOTES TO COMBINED FINANCIAL STATEMENTS
FOR THE FIVE (5) MONTHS ENDED 2/28/2010

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Reporting Entity

The accompanying financial statements reflect the funds and accounts of the financial reporting entity Tarrant County, Texas (the "County"), as of February 2010 and for the five months then ended. Other components of the County not included in the accompanying financial statements include, Tarrant County Hospital District, Tarrant County Mental Health and Mental Retardation Services, Tarrant County Industrial Development Corporation, Tarrant County Health Facilities Development Corporation, Tarrant County Cultural Education Facilities Finance Corporation, and Tarrant County Housing Financing Corporation. These components are technically a part of the "reporting entity" because of the budgetary oversight responsibility by the Commissioners' Court of Tarrant County. These components however are unrelated to the financial condition and results of operations of the County, and have been excluded from the accompanying financial statements. Separate financial statements of these entities are available upon request.

Revenue Recognition

Revenue is generally recognized on the modified accrual basis. Under this method of accounting, revenues are recognized when susceptible to accrual, i.e., both measurable and available. The primary revenue sources susceptible to accrual are property taxes, fines and fees due to fee offices which are recognized as deferred revenue until cash is received. Other sources are generally not measurable until received in cash.

Expenditure Recognition

Expenditures are recorded when incurred. Expenditures for principal and interest on long-term debt are recorded when due. The accrual basis of accounting is utilized in the proprietary funds. Encumbrances are not included as expenditures.

Budget Basis Reporting

The budget is prepared utilizing a modified cash basis of accounting, with adjustments for encumbrances, as allowed by state statutes. Budget basis information is presented in the accompanying "Budgetary Information" section at a summary level. Budget information at the legal level of control is available upon request.

Investment Income Allocation

To maximize investment earnings on "idle" cash and cash equivalents, a "pooled cash" concept is utilized. Under this concept nearly all deposits are maintained in the same bank account and are invested on a daily basis. Generally, interest earnings are allocated to each fund based on the funds relative percentage of the total pool.

Compensated Absences

Accumulated unpaid vacation leave and vested sick pay have been recorded in the Enterprise Fund for the Resource Connection and in the Grant Fund for Housing. An additional amount has been accrued for salary related payments associated with the payment of compensated absences. The amount of compensated absences for the remaining governmental funds is \$36,292,815.30 which is recorded in the comprehensive annual financial report.

TARRANT COUNTY, TEXAS
NOTES TO COMBINED FINANCIAL STATEMENTS
FOR THE FIVE (5) MONTHS ENDED 2/28/2010

II. BASIS OF PRESENTATION:

The accounts of the County are organized and operated on the basis of funds, each of which is considered a separate accounting entity. Government resources are allocated to and accounted for in individual funds based on the purpose for which they are to be spent and the means by which spending activities are controlled.

Funds are classified into three categories: Governmental, Proprietary and Fiduciary. Each category is divided into separate fund types. The following fund types are used by the County.

Governmental Funds: Used to account for all or most of a government's general activity.

General Fund – used to account for the general operations of the County.

Road and Bridge Fund – used to account for the collection and expenditure of those monies designated to be spent for acquisition, construction and maintenance of county roads and bridges.

Debt Service Fund – used to account for accumulation of resources and for the payment of general long-term debt principal, interest, and related costs.

Capital Projects Funds – used to account for financial resources to be used for the acquisition and/or construction of major capital facilities.

Grant Funds – used to account for the activities conducted under the many grant agreements between the County and various state and federal organizations.

Other Governmental Funds – used to account for specific revenue sources which are legally restricted to expenditures for specified purposes.

Proprietary Funds: Used to account for operations that are financed in a manner similar to those in the private sector, where the determination of net income is appropriate for sound financial administration.

Enterprise Fund – used to account for operations that are financed and operated in a manner similar to private enterprise where the County's intent is to provide goods or services to the public on a continuing basis financed primarily through user charges. The County operates two enterprise funds, the Resource Connection and Oil and Gas Royalty.

Internal Service Funds – used to account for the various self-insurance activities for the County.

Fiduciary Funds: Used to account for assets held by the County in a trustee or agency capacity for others and therefore cannot be used to support the government's own programs. The County has two fiduciary agency funds: Payroll Clearing and Fee Office funds. The Fee Office fund accounts for monies still in the custody of the fee officers. It includes tax collections in behalf of other taxing jurisdictions and restricted assets of court ordered trust funds administered by the County Clerk and District Clerk.

NOTES TO COMBINED FINANCIAL STATEMENTS
FOR THE FIVE (5) MONTHS ENDED 2/28/2010**

III. NEGATIVE CASH BALANCES:

The following funds have negative cash balances at the balance sheet date. This occurs when expenditures exceed revenue collection. The General Fund has advanced money to these Funds thereby, allowing for continued operation of the related programs. These advances by the General Fund have been reflected in the accompanying combined balance sheet as Due from other funds. The advances also represent a loss of investment earnings to the General Fund and are not a reimbursable item by the grantor under reimbursing grant agreements.

Most negative cash balances arise in the County's reimbursing grant programs. These programs require the payment of expenditures prior to the reimbursement by the grantor. These cash deficits have existed for years and do not create any major concerns. However, this information is helpful to the reader of the financial statements to provide a fuller understanding of the details of County operations.
