

Tarrant County Precinct 4

SUMMER 2023

A Message from Commissioner Manny Ramirez

Welcome to Tarrant County, Precinct 4, affectionately known as “Northwest Tarrant County!” I am a proud native Texan, born and raised right here in Precinct 4. I am honored to be the elected Commissioner of an incredible and dynamic community of nearly 600,000 residents.

In Precinct 4, we are proud of the quality of life and the culture that our community enjoys. We are home to the Fort Worth Stockyards, Dickies Arena, the Fort Worth Cultural District, the new Panther Island development, Fort Worth Naval Air Station Joint Reserve Base, and hundreds of miles of trinity trails and lakes. Our precinct spans across 265.7 square miles of Tarrant County and includes portions of 15 municipalities, 10 school districts, and over 160 miles of unincorporated County roads. We are also home to hundreds of remarkable large, medium, and small businesses that drive the economic engine of our Tarrant County, including Lockheed Martin, Bell Helicopter, BNSF, and Amazon, just to name a few.

We have an incredible team in Precinct 4 working hard every day to ensure that we keep Tarrant County the best place in America to live, work, and raise a family. Our team includes best-in-class road maintenance operators, dedicated and professional administrative staff, and fiscally conservative budget professionals.

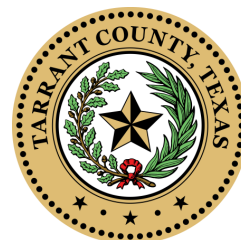

Tarrant County has been recognized as one of the fastest growing areas in the country and our precinct leads the way! As a result, we are laser focused on building and maintaining the infrastructure that our community needs as we grow into the 21st Century. We are prioritizing public safety, lowering the property tax burden on homeowners, and building roads and bridges that work for our residents. Simply put, we are getting the government out of the way so that our community can thrive.

I would love for you to come by the office for a visit sometime. The coffee is always hot, and the conversation is always appreciated.

Manny R. Ramirez

Commissioner

Tarrant County, Texas | Precinct 4

Road and Bridge Update

Welcome to Tarrant County, Precinct 4, Road and Bridge Department!
There is no better place to be than right here in Tarrant County, Precinct 4.

Tarrant County Precinct 4 is responsible for overseeing the maintenance and rehabilitation of approximately 161 miles of paved county roads. Precinct 4 also maintains over 2500 signs, 1,057 storm culverts, and drainage in the county right-of-way. In addition to maintaining our county infrastructure, we serve our taxpayers by providing labor and equipment costs through interlocal agreements with our local municipalities, local school districts, and various other non-profit partners.

Since January, Tarrant County Precinct 4 has completed 15 interlocal projects and has 12 more projects in development. Our county exclusive road projects include four completed projects, seven projects in production, and eight projects that have been planned and scheduled. These projects vary in scope and difficulty from reconstructions, paving, crack sealing, tiger mowing, and earthen berms. Each scheduled project is allocated using a needs-based system, and schedules may be impacted by a number of factors, including weather and material availability.

Precinct 4 workers paving a parking lot for Fort Worth ISD

What we do

A county-maintained road (CR) is a public road that has been accepted for maintenance by the commissioner's court and is in the unincorporated areas of the county.

Milling a roadway in Saginaw

We know that building safe and passable roads is critical to the transportation infrastructure and economic development of our community. We do everything possible to keep traffic flowing during ongoing construction. However, in some cases we may have to schedule a temporary road closure due to safety concerns. During these temporary closures, traffic controllers will be in attendance to divert traffic and assist with any emergencies if necessary to get in or out of the construction site. Please feel free to call 817-306-4000 if you have any concerns or would like any further details about ongoing or planned road projects in Precinct 4.

We are proud of our employees with the Tarrant County Precinct 4, Road and Bridge Division. Not only do they build and maintain the roads that we drive every day, but they also serve as first responders to assist with natural disasters, winter emergencies, and environmental hazards. We have strong working relationships with the Tarrant County Sheriff's Office, the Public Health Department, the Tarrant County Fire Marshall, local fire and police departments, and dozens of other public and private partners.

Thank you!

Recently, members of our community donated food and drinks to our hard working road-crews. We would like to express our deep appreciation for this gesture and let you know how much we love serving our community!

The crews worked hard keeping our roads sanded and as safe as possible for our first responders, essential workers, and others that had to venture out on the roads. They spent numerous days and nights treating the roads during the inclement weather in January. Thank you!

*To place a request for non-hazardous concerns, call (817) 306-4000 to verbally express your concerns or submit a concern through our website:
pct4CitizenReq@Tarrantcountytx.gov.*

This website is not an emergency reporting system. If your issue or concern involves an immediate risk to life or personal safety, call 9-1-1 immediately.

Education Station

To say we are proud of this young scholar is an understatement! TCU Alumni Commissioner Manny Ramirez and his staff join together in recognizing & congratulating Linette Medrano, Haltom High School Senior, who was awarded a \$293,000 full four-year scholarship to TCU by the TCU STEM Scholar program. Currently in its fifth year, the STEM Scholar program at TCU represents one of TCU's most ambitious programs. The scholarships provide academic support and leadership development to increase the numbers of the best and brightest students from underrepresented populations to pursue degrees in STEM. Go Frogs!

Congratulations to all the 4-H and FFA members that participated at the 2023 Tarrant County Junior Livestock Show and Youth Fair!

**This years' show had about 1000 exhibitors with over 2600 entries!
And OVER \$510,000 raised at the Sale!!**

Church Spotlight

Located in Precinct 4, 2nd Mile Church in Fort Worth has some BIG plans this summer! Pastor Todd Dunn & Youth Pastor Jaxon Nichols will put their vision into motion with their first ever Youth Camp hosted in Stuart, OK named A3 Summit! A3 stands for Away, Awake, and Alive, three components that will be central to the camp experience. A chance for your teenager to be **AWAY** from the stresses of life, **AWAKE** to the truth of the Gospel, & **ALIVE** in a genuine walk with Christ. All are welcome! No membership required. Both Pastors can be reached at 817-726-8528, Go to www.2ndmilefw.com/a3-summit for more info & to register for this epic camp experience!
