Reasonable Accommodation Request Form

ORIGINAL REQUEST
 RENEWAL

The U. S. Department of Housing and Urban Development regulations (24CFR 982.316) states: a family that consists of one or more elderly, near-elderly or disabled persons may request approval for a live-in aide to reside in the unit and provide necessary support services for a family member who is a person with disabilities.

A live-in aide is defined as: a person who resides with one or more elderly persons or near-elderly persons or persons with disabilities and who: 1) is determined to be essential to the care and well-being of the persons; 2) is not obligated for the support of the persons; and 3) would not be living in the unit except to provide the necessary support services.

Since housing funds are limited and there are many eligible families on the waiting list, we must ensure that a live-in aide is necessary for the support of a person with a disability.
