# Attorney or Judge Grievances Research Guide

### **Overview**

This research guide includes information and resources about filing grievances against an attorney or judge if they violate the standards of ethical conduct. There is a disciplinary system set up through the State Bar of Texas and the State Commission on Judicial Conduct, respectively, for ensuring attorneys and judges maintain standards of professional conduct and imposing sanctions against those who violate those standards. The resources listed below are not exhaustive and may not include the most up-to-date information. It is for information purposes only and should not be construed as legal advice or act as the substitute for legal counsel.
