# Limited Liability Companies (LLC) Research Guide

#### **Overview**

This research guide includes information and resources on Limited Liability Companies, or LLCs. A limited-liability company, also called a limited liability corporation, is "a statutorily authorized business entity that is characterized by limited liability for and management by its members and managers, and taxable as a partnership for federal income-tax purposes." (Black Law's Dictionary, 11th ed.) The resources listed below are not exhaustive and may not include the most up-to-date information. It is for information purposes only and should not be construed as legal advice or act as the substitute for legal
